

Welcome To The Waterfowlers Network

We would like to thank you for considering sponsorship on our waterfowl sites. This is a way to keep the sites free to its users plus a great way to advertise your business. The way that we have this set up is your banner links to your site. What we do is put your banner (rolling banners) on top of the forum boards. This gives you 24/7 advertising on the forum board, and for the price that we are offering this kind of exposure for is really a bargain. There is also a Sponsor page where banners are all on one page individually. If you do not have a page, for an additional fee we will build you a simple informational page plus host it on our server. If you do not have a banner, we will build you a simple .gif or .jpeg banner for a small additional cost. After your request for sponsorship is received, your request is reviewed by a panel and can be rejected for any reason deemed reasonable by us. Panel review usually takes less than 3 days. Once the panel approves the sponsorship, your banner and page (if needed) will be built and activated, usually the within 2-3 weeks. If at anytime you feel the advertising is not working out for you, a pro-rated refund will be given, minus the months used. If requested, we have monthly stats provided by Google Analytics.
